Special instructions to Voucher holder: *(Ignore if blank):*

- Completion of all tests will take around 4-5 hours. We suggest that you plan your schedule accordingly
- For ECG & TMT test, shaving of chest hair is not a standard requirement but recommended for dense hair
- Female staffs are subject to the availability at individual locations.
- For women, if you are menstruating on the day of your appointment, you will not be able to do your urine, stool and pap smear tests as the presence of blood in these tests would produce inaccurate results. Kindly schedule tests with at least a gap of 5 days from your last day of menstruation
- Urine or Stool sample should be given on the same day of sample collection. Additional charges applicable for resample collection.
- Reports hardcopies has to be collected from centre based on the readiness. Kindly check with receptionist.
- Please avoid eating for 9 to 12 hours before your test.
- Please don't drink any juice, tea or coffee before your test.
- Please don't smoke, drink, chew gum, or exercise before your test.
- Please book online doctor consultation on healthi portal. You can click on doctor tab in healthi account & book a consultation.
